The following newspaper article appeared on page one of the "Chicago American" newspaper published in Chicago, Illinois, on January 24, 1968, which pertains to the above matter:

Klan's Recruiting Fear

BY FRANK VON ARX

THE SUBJECT was fear—hate would have been too obvious.

But fear was a plausible commodity to 45 Brookfield, Ill., guests last night who listened 90 minutes to suspended Chicago Patrolman Donald Heath, the Ku Klux Klan imperial dragon for 7 midwest states.

"After Black Power racists take over the cities, who will protect your suburbs?" Heath asked his audience of mostly middle-aged suburban business men.

There was no applause, but the questions continued for 20 minutes after the meeting adjourned. At each chair was an envelope with 2 applications for klan membership and a

2-page letter explaining klan activities.

HEATH OPENLY solicited klan support from the people. Some of the men filed to the speaker's table where they handed Heath dollar bills for booklets on treason, revolution, and communism.

The scene was typical of more than 20 speaking engagements Heath says he has made in Chicago and suburbs

since his suspension Dec. 28 as a patrolman assigned to the Fillmore district.

Heath was accompanied by two other suspended policemen, Ernest Somet, 32, and William H. Plogger, 44. All three face dismissal for Klan activities.

HEATH'S particular brand of fear is racism. It is a fear he said he finds uppermost in

the minds of some suburbanite.

"It no longer is a question of communism," he said. "It is now racism and whether the Black Power people will accomplish their plot to overrun the nation by 1972."

The Chicago police will not be able to handle the riots in 1968, Heath said. He offers the brotherhood of klan membership, and the klan's network of neighborhood klaverns as the last reliable defense against Black Power.

"We need your support," Heath said plainly. "If you want us, support us. If you don't want us, don't support us and we'll leave. The klan doesn't stay where it is not wanted."

HEATH frequently referred to his 7 years of service in the Fillmore district, and the 4 race riots he said he helped to quell.

"I know what it is like. I was there. I've been shot at," Heath said as he told of huge arms supplies and hate literature found on the city's west side.

Segregation has failed and integration is not working. The only solution is separation, Heath claims. On this point, he said, the klan agrees with Black Muslims that the races should not be mixed.

More than 20 questions from the audience were answered by Heath.

"WOULD THE klan take the law into its own hands?"

"Only in self defense."

"Why does the klan reject Jews, Catholics, and Indians?"

"Members must be Christians. Catholics must choose between allegiance to the klan or the pope."

"Why did you join the klan?"

"I was impressed by members I met in the south."

"Since the klan is in disrepute, why doesn't it change its name?"

"TEN PER CENT of any group will go wrong. Klan violence can be blamed on

DONALD HEATH

the 10 per cent, the off-shoot groups."

"How many klan members are still on the police force?"

"We could have had more if we wanted them. We still have two. One of them is the men who led a raid at 3838 Jackson where they seized arms and hate literature."

"Why don't you expose Black Power members on the force?"

"We don't want to give them publicity."

"What are klan dues?"

THERE is a \$25 initiation fee, and \$50-a-year membership fees."

"How does the klan enforce discipline?"

"We either suspend or expell. If you don't follow orders when the times comes you had better get ready to pray."

Yesterday as Heath visited Brookfield, Police Supt.

James B. Conlisk Jr. announced the three suspended patrolmen will face formal dismissal charges sometime before Sunday.

CONLISK SAID the arsenal of weapons police confiscated in Heath's apartment would be retained, but when asked about the weapons, Heath said he is unconcerned.

"My attorneys tell me it will be a point in my favor because the reports have been so exaggerated," Heath said.

Heath claims he has talked to more than 1,000 persons in the last 3 weeks and only 3 people have been against him.

AS A RESULT of one Cicero talk, he said the Klan started three new units. He claims more than 230 membership applications are being investigated and if the individuals are acceptable they will be assigned to klaverns in their own communities.

Applicants range in age from 20 to 70 years, he said, and a surprising number of women apply.

"People are scared," Heath said. "They are looking for someone to fight for them."

Fear has been known to drive people to do strange things.

Re: National Knights of the

~~C O N F I D E N T I A L~~

Confidential source stated that James Venable, Imperial Wizard of NKKKK, advised that it would cost them \$25.00 to join the NKKKK and \$50.00 per year for dues. Venable spoke and invited all to visit Stone Mountain, Georgia, next Labor Day and pointed out how important it was for all the white people to arm themselves for the Negro revolution expected in the summer of 1968. Venable further stated that it was important that only one or two of the top NKKKK officers expose themselves to the public and that the rest of the Klansmen are never to let the alien world know that they are Klansmen.

Confidential source further advised that [redacted] supposedly suspended from the Chicago Police Department because of Klan activities, spoke on the Negro group called Revolutionary Action Movement in Chicago. He advised that they have M-1 rifles, .45 caliber pistols with thousands of rounds of ammunition, also .30 caliber machine guns, .50 caliber machine guns and several anti-tank guns that the police officials in Chicago know of, but that their hands are tied and that they can do nothing about it. He further stated when it is learned that there are policemen in the Klan, there is a large write-up in the paper and that the Negroes know who are members of the Klan and that each Klansman is marked for death.

b6
b7C
b7D

[redacted] advised that it was planned for the six men in Chicago to be exposed to the public as Klansmen and that there were police in the Cleveland, Dayton and Cincinnati Police Departments who are at the present time members of the Klan. He further advised that there is a Klan unit in the Chicago Police Department and that he [redacted] can get guns and ammunition in large quantities, and that he can supply guns to any Klan unit in the United States of America. [redacted] further stated that he is in charge of a seven-state area under the NKKKK. He advised that each state has only one Klan unit and several units under phony names to insure that if one unit is closed, the others would still be able to operate.

Confidential source advised that individuals from Michigan met with the above set out NKKKK officials on

January 27 and 28, 1968. He advised that eight Michigan individuals paid \$25.00 each for initiation fees into the NKKKK and that this money was then given to James Venable. He advised that an automobile bearing Indiana plates

carried [redacted] to a meeting of NKKKK officials at the Fairlane Hotel, Dearborn, Michigan, on January 28, 1968.

Confidential source also advised that [redacted] was driving a car bearing Ohio license plates [redacted]. Source stated that most of the individuals from Michigan were very displeased over the increase in costs to join the NKKKK. They argued that [redacted] had previously stated that it would cost \$15.00 initiation fee and \$15.00 dues and it was now upped to \$25.00 initiation fee and \$50.00 dues. Source advised that it is still questionable whether a NKKKK unit will be formed in Michigan.

REVOLUTIONARY ACTION MOVEMENT

On November 3, 1964 a source made available a document entitled "The Revolutionary Action Movement Manifesto", the document having been obtained by the source from an individual known to be a member of the Revolutionary Action Movement (RAM).

This document stated, in part, that RAM was officially organized in the winter of 1963 by Afro-Americans who support the revolutionary objectives of [redacted] then residing in Cuba, and his concept of organized violence to achieve the liberation of the Afro-American people in the United States. This Manifesto disclosed that RAM had oriented its program to one of education and political revolution and the organization of a "black" political party with revolutionary objectives, having recognized the need for a "black revolution" that could and would seize power. RAM philosophy is described in this document as one of revolutionary nationalism; that is, one involving the struggles of the nonwhite races of the world against exploitation and enslavement by the white capitalist and imperialist nations.

Regarding [redacted] it should be noted that on August 28, 1961 a Federal warrant was issued at Charlotte, North Carolina charging him with Unlawful Flight to Avoid Prosecution for the crime of kidnapping. Subsequent to the issuance of this warrant, [redacted] fled the United States to Cuba where he published a monthly newsletter entitled "The Crusader" from Havana. As of December, 1966, [redacted] was residing in Peking, China.

This source in September, 1964 advised RAM is dedicated to the overthrow of the capitalist system in the United States by violence, if necessary, and to its replacement by a Socialistic system oriented toward the Chinese Communist interpretation of Marxism-Leninism. RAM is entirely nonwhite in membership, clandestine in nature, and owes its primary allegiance to the "Bandung World"; that is, the nonwhite races of the world rather than to any national entity, as such.

On [redacted] a [redacted] source advised he learned recently from a RAM member that the organization began in Detroit, Michigan largely under the impetus of [redacted] described as the [redacted] of RAM and referred to as RAM's [redacted] served as RAM [redacted] with [redacted] (now of Philadelphia, Pennsylvania) serving as RAM [redacted]

Cleveland, Ohio PD, was contacted on 2/13/68 and furnished
pertinent information appearing in referenced LHM.

[redacted] informed, "There is absolutely nothing
to indicate that any member of the Cleveland PD is a Klansman".

He explained that during the height of the NKKKK in
the Cleveland area he personally covered each of their meetings
and took license plate numbers of all vehicles parked in the
vicinity and at no time did he recognize a police officer nor
did a check of the license plate listings turn up a police
officer attending any of the meetings. In addition he noted
that the Cleveland PD had a police source, who was not a
policeman, in the NKKKK and the identities of most, if not all,
Klan members were known to the Cleveland PD and none were
identified as members of the Cleveland PD.

[redacted] further stated that although he has
heard comments and casual remarks from police officers to
indicate some are opposed to integration, he has never heard
these remarks made to the extent that a possibility would
exist that they were Klansmen.

Copies of this memorandum are being furnished to the United States Attorney and United States Secret Service, both at Chicago, Illinois, and Region 1, 113th Military Intelligence Group, Evanston, Illinois.

The following newspaper articles which appeared in Chicago, Illinois, newspapers on February 29, 1968, pertain to information set forth above:

Cop klansman accused Plot to kill Daley charged

2 others marked for death

By Buddy Lewis

A Chicago policeman who is a Ku Klux Klan leader planned to kill Mayor Richard J. Daley and two police officials, a police undercover agent testified Thursday.

Policeman James Tobin said that Donald Heath, suspended policeman and a high Klan official, approached him with the idea of killing Daley with a bazooka.

Tobin testified that the two police officials marked for death were James Rochford, deputy superintendent for field services, and James Holzman, for whom a copy was sent a police official in Chicago.

The plans called for Rochford to be gunned down at the scene of a riot; the undercover man testified.

TOBIN APPEARED as a witness at a police review board hearing to determine whether Heath should be dismissed from the department.

The existence of a Klan "klavern" in the police department was exposed on Dec. 28 when detectives from the Internal Investigations Division raided Heath's apartment at 2055 N. Lawndale. They confiscated a cache of arms and 20,000 rounds of ammunition there.

Three other policemen named as klansmen have resigned from the force, and hearings have been scheduled for two others.

Heath, 30, a policeman for six years, also is imperial dragon for the Klan's seven-state Midwest area.

TOBIN SAID under Heath's plan, two or three klansmen would be assigned to kill Daley.

Heath reportedly told Tobin that Daley usually looks out his front window in the morning. When he came to the window, the men would fire a bazooka from an auto and speed away.

"Killing him would be no big thing. I know when he goes to work," Heath was quoted as saying.

"You are a liar," Heath told Tobin at the hearing.

ACCORDING TO Tobin's testimony, the following conversation took place on Nov. 23 in a restaurant in the Fillmore District, where both were assigned.

HEATH: "We have to hit a city official. I can't think of anybody better than Mayor

Daley. If you get the assignment, will you do it?"

TOBIN: "I'd have to think about it."

HEATH: "It doesn't work that way. You'll do it or there will be an assignment on you."

Tobin testified that earlier in November he was in a squad car in Garfield Park with Heath when the klansman said "some high police officials have to be hit."

TOBIN SAID Rochford was selected because of his handling of the fair housing marches on the Southwest Side in 1966.

"We'll wait for rioting and get Rochford in our sights and then blame the niggers," Tobin quoted Heath as saying.

He said Heath singled out Holzman as a target because he was Jewish.

Tobin testified that he was approached on Sept. 1 by Capt. John Mulchrone and asked whether he knew Heath. When he said he did, Mulchrone asked if he would "do some investigating," indicating that Heath might be a Klan member.

TOBIN said he finally managed to get assigned as Heath's partner in a squad car on Sept. 13. He testified that two

some Klan literature.

Tobin said he acted as if he were interested in the organization, and subsequently went to Heath's home.

He said Heath led him into his bedroom and said:

"Remember I told you I'd introduce you to the top man? Well, I'm the top man. I'm the only one who can swear in anyone in Illinois."

Tobin said he took the Klan oath and gave Heath a \$15 initiation fee. He said Heath then showed him the arsenal and ammunition.

Tobin said that within a month, Heath had promoted him to "exalted cyclops" of the klavern.

TOBIN, 32, has been a policeman for 10 years and has won nine citations in that time.

The hearings are being held before Franklin Kreml, police board president, and Theophilus Mann, a board member.

Hearings for two other police, Klan members — Ernest Semet, 32, of 3338 N. Oriole, and William Plogger, 43, of 340 N. Lawndale — will be held Friday in police headquarters, 1121 S. State.

The three who resigned from the force when their names were made public are Richard Stanton, 33, of 3350 W. 62d Pl.; Dennis Allen, 25, of 4940 W. Concord, and John Johanson, 26, of 329 N. La.

KLAN PLOT TO KILL DALEY TOLD

Spy Cop Reveals Plan to Bazooka Mayor Home

A bizarre plot to assassinate Mayor Daley and two high police officials to create chaos in Chicago this summer was revealed today by an undercover policeman who infiltrated the local chapter of the Ku Klux Klan.

James Tobin of the police vice control division disclosed the plan in testimony before the police board during a dismissal hearing against suspended Policeman Donald Heath, head of the K. K. K. in Illinois.

Heath immediately called Tobin a liar.

Planned to Blast Home

Tobin said the K. K. K. planned to kill Daley and perhaps members of his family by firing a bazooka blast thru the front window of the mayor's home.

They also planned to shoot Deputy Supt. James M. Rochford, No. 2 man in the police department, and Capt. James Holzman, former commander of the East Chicago avenue district "in the back and blame it on the niggers."

Tobin told his story to Franklin M. Kreml, president of the police board, and board member Theophilus Mann.

Shared Same Squad

He said he and Heath were assigned to the Fillmore district Sept. 1 when police officials asked him to become friendly with Heath in order to get information on K. K. K. activities.

Tobin said he was assigned to the same squad as Heath and within 2 weeks—on Sept. 14—Heath asked him to join the K. K. K.

On Sept. 22, Tobin said, Heath swore him in as a klan member in the bedroom of Heath's home. Tobin said he paid a \$15 initiation fee.

On Nov. 7, Tobin testified, he, Heath and Policeman Richard Stanton met in a squad car in Garfield Park to discuss klan activities.

Blamed '66 Riots

a high police official" this summer and then blame the shooting on Negroes. They decided to shoot Rochford, Tobin said, "because of the way he handled the 1966 riots," and to shoot Holzman because he is Jewish.

"Heath knew everything about the mayor," Tobin testified. He knew that when the mayor is ready to leave his home, he always looks out the front window to alert his bodyguard."

Bazooka Attack

Tobin said the K. K. K. plan was to lurk nearby and fire a bazooka shell into the front window when Daley looked out. "They hoped this would kill some members of the mayor's family, too," said Tobin.

Tobin said Heath threatened him with death if he refused to take part in the plan. Heath told him, Tobin said, they could get all the weapons they needed from a Waukegan gun shop.

III. FINANCES

The NKKKK has no known bank account at the present time. JAMES VENABLE operates the NKKKK financially on his own but has recently relied on the services of [] to handle the business management of the Klan; however, most of the money to support this Klan organization comes from VENABLE.

IV. PUBLICATIONS AND PROPAGANDA

AT [] furnished a copy of a newspaper entitled "Imperial Night Hawk, National Knights of the Ku Klux Klan" with the caption "Stone Mountain . . . Near Atlanta, Georgia, Owned Published and Operated by the National Knights of the K. K. K., Inc., Box 111 Stone Mountain, Georgia. The aforementioned newspaper indicated that it was Volume LXVIII, Number 1, yearly subscription of \$3.00 and subscription for two years was \$5.00, individual price, \$.25. The above newspaper also reflected that it was [] by [] [] The first article in the above paper was one letter by JAMES R. VENABLE, Imperial Wizard of the National Knights of the Ku Klux Klan Association of America, Post Office

AT 157-60

Box 107, Tucker, Georgia, 30083, and was a one and one-half page effort by VENABLE in expressing his views on the present conditions in the United States as he saw them both political and sociological.

The paper contained a column-length poem by the Honorable OLIVER ALLSTORM entitled "The Saddest Story Ever Told", and above the poem was a photograph of a white girl and Negro male embracing in what appeared to be a picnic scene.

Numerous articles appeared throughout the eight-page newspaper, critical of the United Nations. One article was captioned "The United Nations is Treason."

Under a caption "The Night Hawk Says", the following purposes for the publication of the Imperial Night Hawk by the National Association of Klans were set forth, and they are as follows:

1. To expose all Communists activities and organizations.
2. To expose the Anti-Christ and their Satanical plans for destruction of the White Race.
3. To restore prayer to the schools.
4. To expose and destroy the careers of all politicians who willfully or through ignorance or brainwashing, support the Atheistic-Jewish-Communist Conspiracy.
5. To expose School Integrations, Open Housing, Mixed Marriages for what it really is,

AT 157-60

part of the Commy plan to destroy the White Race by down breeding.

6. To get the United States out of the United Nations, and remove the whole operation to Israel where it belongs.

7. To elect politicians pledged to destroy the Great Society and all its Socialist programs.

8. To restore to the States all powers usurped by the Federal Government.

9. To declare all decisions by the Supreme Court, in regard to the Constitution or the laws of any state, null and void until reviewed and passed by a 2/3 majority of both houses plus 2/3 of the States.

10. To remind the people that the Supreme Court does not have the power to make a law, only interpret it.

11. To destroy the Federal Reserve Board (a private corporation owned and controlled by the Jewish International Bankers) and return control and printing of our money to the people.

12. To get the Federal Government out of private business. The savings on this project alone could eliminate personal income tax.

13. To return our Constitutional Right "Freedom of Choice" to the people.

14. To eliminate Foreign Aid except to White Christian Nations only exception would be a natural disaster, flood, famine, etc.

AT 157-60

15. To support the White Government of Rhodesia with every means at our disposal, even atomic weapons if needed.

b2
b6
b7C
b7D

16. Total and immediate victory in Viet Nam. The life of one White Man is far more valuable than a few million Asiatics.

17. To use the money now wasted on Foreign Aid and Civil Rights on armament to prepare for the day when the Mongol hordes led by Russia and Red China try to destroy us.

18. To give our support and patronage to White Christians only.

19. To insure that only White Christians be elected or appointed to public office.

20. To sacrifice our life if necessary to re-establish this Great Nation as a White Christian Republic under the Divine Law of our Leader Jesus Christ.

On [redacted] [redacted] furnished Issue Number [redacted] of the Imperial Night Hawk which on Page 4, under the heading "Letters to the Editor" contained the following information:

"We the people of Mississippi and the United States are proud of the work certain officials have done in the recent exposure of Robert S. McNamara, the Secretary of Defense, as being unqualified and negligent of the duties and responsibilities of the office he was appointed to .

"We the people throughout the United States are deeply concerned about the Communistic trend and the Communists in our country today. All conservative organizations are working constantly, but we have to work at a regular job also. We now have it arranged so we can show the public's feeling and concern for our country and freedom.

"We want certain Supreme Court rulings and Supreme Court Judges investigated and for it to be proven that these rulings and laws passed in the past few years are unconstitutional, which they are. The people never voted for their passage, and they don't accept these so-called Constitutional laws. The people of America are waking up now. We can't say everything we want to because the present unconstitutional laws limit us.

"We the people elected the President, Mr. L. B. Johnson, and he has passed into effect the American-Russian Consulate Treaty which allows Communists to open an office in any city in the United States. What is this but treason" We want impeachment proceedings started at once! How can we expect to fight the Communists if we let them enter our country and work for their ideals in our country?

"This is the first step. We can go from here. We the people are tired of national parties without platforms and candidates that are only imperialists for

AT 157-60

socialistic projects and ideals such as the Medicare Program. Also the increasing of our national debt.

"We want our state legislature and governor to write other governors and legislatures and express the beliefs and traditions we believe in. We are going to have a cleaner and free government again, and we are going to support you, our elected officials.

"If you need petitions, please write and let us know. We can have thousands of copies of this exact paper ran off and signed by the citizens. We are behind you, and we are not going to let you down from this day on.

An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. Issue No. 72, dated November, 1965, of "The Thunderbolt," reflects Dr. Edward R. Fields to be National Director of the NSRP as well as Editor of "The Thunderbolt."

A [] source advised that the CKKKK has attempted to hold two rallies, one on September 17, 1966, at Saugus, California, the other in an open field at San Bernardino, California, on November 19, 1966. DE [] on [] advised that on January 27, 1968, a meeting was held at the Fairlane Motel, Dearborn, Michigan, at which time JAMES VENABLE, head of the NKKKK, met with former members of the Michigan UKA.

He further advised that when it is learned that there are policemen in the Klan, there was a large write-up in the paper and that the Negroes know who are members of the Klan and that each Klansman is marked for death.

He further advised that there is a Klan unit in the Chicago Police Department and that he [] can get guns and ammunition in large quantities, and that he can supply guns to any Klan unit in the United States of America. [] further stated that he is in charge of a seven-state area under the NKKKK. He advised that each state has only one Klan unit and several units under phony names to insure that if one unit is closed, the others would still be able to operate.

A characterization of RAM is contained in the appendix attached hereto.

DE [] on [] advised that on January 28, 1968, the NKKKK held a meeting at the Italian-American Hall located at 5101 Oakman, Dearborn, Michigan, at which approximately 55 persons were in attendance. [] former Chicago, Illinois, policeman, talked to the above group and advised them he could get guns and ammunition in large quantities and can supply guns to any unit in the United States. He told all those present that law enforcement officials would have their hands full taking care of inner city during riots and it would be up to the Klansmen to protect the white community.

[] stated that each state will have only one Klan unit and several units under a phony name and that if one unit is closed, the next would be able to operate as their identity would not be known.

[REDACTED] Ohio [REDACTED] attended several NKKKK meetings in Detroit, Michigan area during late 1967 and early 1968. DETAILS:

A characterization of the National Knights of the Ku Klux Klan, Inc, and of the National Knights of the Ku Klux Klan of Ohio, Inc., are contained in the appendix of this report.

A. GENERAL ACTIVITIES, FINANCES AND MISCELLANEOUS INFORMATION

b2

b6

b7C

b7D

The Klan organization which had been operating and still operates on an irregular basis, which formerly met on the farm of [redacted] at Oregonia, Ohio, has transferred their location site to Loveland, Ohio. This group is now known as Klavern [redacted] and operates under the name of the Loveland Park Association.

All of the previous Klansmen who attended activities under the leadership of [redacted] at Oregonia, continue to attend meetings at the Loveland Park Association. Approximately 8 - 15 individuals usually attend a meeting. [redacted] Ohio

[redacted] appear to be working together in this latest venture and are probably splitting any financial gains among themselves in connection with Klan activities. It is expected that this group will remain similar to the one which previously met on [redacted] farm and the only real change is that the location site is different.

[redacted]
A meeting of Klan [redacted] was held October 22, 1967, at the Loveland Park Association in Loveland, Ohio. Two individuals from the Cleveland, Ohio area identified as [redacted] were invited and identified as being present. These two men are evidently known officers in the NKKKK in Ohio.

b2

b6

b7C

b7D

Approximately 12 - 15 individuals were in attendance at this meeting, including [redacted] and other known Klansmen.

This meeting was supposed to be held for organizational type purposes but it consisted of merely a social gathering with no concrete results obtained.

[redacted]
A meeting was held November 12, 1967, at the Loveland Park Association, with seven individuals being present. [redacted] were again in attendance and nothing of importance took place. Once again the meeting mainly involved socializing.

[redacted]

Klavern [redacted] which meets at the Loveland Park Association has been acting on an independent basis and it is understood that it is not affiliated with the parent organization (NKKKK), at Tucker, Georgia. This Klavern is currently disorganized and as pointed out in the past [redacted] and [redacted] have dreamed up this scheme for their own financial benefits.

[redacted]

[redacted] has definitely traveled to Detroit, Michigan on several occasions during the latter part of 1967 and the early part of 1968 for the purpose of attending NKKKK meetings in that area.

It was learned that [redacted] told the Klansmen at the Detroit meetings that the initiation fee was \$15.00 and the annual dues was \$15.00; however, an expelled Chicago police-Ohio man named [redacted] started holding a Klan meeting and indicated that the dues and initiation fees would be \$25 each per year per new member. This definitely embarrassed [redacted] As a result these two conflicting stories have internally disrupted the Detroit Klan group.

[redacted]

The Loveland Park Association held a meeting March 10, 1968, in the Loveland, Ohio Building. Approximately [redacted] Klansmen were present, including [redacted] from the Cleveland, Ohio area and [redacted] from the Akron, Ohio area.

The current situation as observed appears as follows:

A number of Klansmen who formerly met on [redacted] farm now attend meetings at the Loveland Park Association on an irregular basis. [redacted] travels from Cleveland, Ohio about every two months to attend a meeting. There is no evidence to indicate this organization is affiliated with the parent organization (NKKKK) at Tucker, Georgia. Therefore, it must be considered a local independent organization and it is not organized to any degree.

During the above meeting the main topic was concerning an initiation fee of \$25.00 to join and a yearly dues of \$50.00. Nothing positive was decided.

[redacted]

CI 157-245

The Police Department Court action of the five Klansmen previously arrested by the Lincoln Heights, Ohio Police Department has been continued until April 22, 1968.

As was pointed out previously these five Klansmen were arrested August 19, 1967, by the Lincoln Heights, Ohio Police Department and charged with Posting Bills without a Permit. They were all later released to Hamilton County Authorities on \$300 bond each. Their pending court action has been continued on numerous occasions.

NATIONAL KNIGHTS OF THE KU KLUX KLAN
OF OHIO, INC. (NKKKK)

On October 8, 1964, [redacted] Secretary of State's Office, Columbus, State of Ohio, advised public records from this office indicate a charter was granted the NKKKK of Ohio on October 5, 1964, by the State of Ohio. The charter was filed under Certificate Number 10194, and the Corporation Number is 334111.

The purpose of the corporation is to operate as a realm organization within the State of Ohio and in accordance with the Constitution and laws of the National Knights of the Ku Klux Klan, Inc., Atlanta, Georgia. Second, to promote patriotism toward the civil government, honorable peace among men and nations, love among ourselves, liberty, justice and patriotic association for the mutual benefit of all mankind. b6 b7C

The incorporation papers were signed by [redacted]
[redacted]

On October 23, 1964, [redacted]
[redacted] State House, Secretary of State's Office, State of Ohio, advised that the National Knights of the Ku Klux Klan of Ohio, Inc.'s charter granted October 5, 1964, was revoked October 22, 1964, for the official reason that the National Knights of the Ku Klux Klan Organization was on the U.S. Attorney General's subversive list. [redacted] said the actual purpose for revocation of the charter was not because the National Knights of the Ku Klux Klan is on the U.S. Attorney General's subversive list, but because it was felt the existence of a state granted charter would encourage the Klan to make the claim it was "state sanctioned" and therefore entirely legitimate.

In actuality the Ku Klux Klan and not the National Knights of the Ku Klux Klan has been designated by the U.S. Attorney General pursuant to Executive Order 10450.

APPENDIX

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY,
Also known as the American Nazi Party,
American Nazis, the World Union of
Free Enterprise National Socialists,
the George Lincoln Rockwell Party

On September 8, 1967, a source advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP - WUFENS) was organized by GEORGE LINCOLN ROCKWELL at Arlington, Virginia, on February 26, 1956. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by ADOLF HITLER. The ANP-WUFENS supports and follows the line of hatred against Negroes, Jews, and communists, through speeches, published literature, demonstrations and publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and in foreign countries.

"The Richmond News Leader" issue dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party," according to Commander ROCKWELL.

On August 25, 1967, GEORGE LINCOLN ROCKWELL was assassinated in Arlington, Virginia, near the ANP Headquarters Building. The August 28, 1967, issue of the "Northern Virginia Sun," a daily newspaper published at Arlington, Virginia, stated that MATTHIAS KOEHL, JR., took command of the Party after ROCKWELL's assassination.

RE: NATIONAL KNIGHTS OF THE KU KLUX KLAN
(NKKKK)

On April 22, 1968, a confidential source furnished the following information:

A public rally was sponsored by the above-captioned group at Warrior, Alabama, on April 21, 1968. There were about 50 spectators present, mostly sitting in their own automobiles. There were probably 12 to 15 Klansmen present, none in uniform. The rally was held in front of the City Hall in Warrior and Mayor Early Caldwell of Warrior was present.

[redacted] of Alabama of the National [redacted] Klavern NKKKK acted as master of ceremonies. He introduced [redacted] of NKKKK, who made a fiery speech attacking civil rights and integration. He blamed white people for not doing something about it.

[redacted] above mentioned, made a short talk in which he attacked integration of the races and wants to strengthen the Warrior Klavern.

[redacted] a [redacted] led in prayer. b6 b7C b7D

[redacted] Jefferson County Board of Education, Birmingham, passed out campaign literature.

There were no incidents or trouble of any kind at this rally.

[redacted] of the NKKKK newspaper, "The Imperial Knight Hawk," was present and made a few remarks of the anti-civil rights type.

A characterization of the NKKKK is set forth in the appendix of this letterhead memorandum.

Re Chicago airtel to Director dated 1/12/68, and
Chicago letter dated 2/27/68.

Information copy to Atlanta in view of their
interest in instant matter.

On March 5, 1968, the Chicago Police Review Board
publicly announced to the Chicago news media that after
completion of the Review Board hearings concerning the
activities of suspended police officers [redacted]
[redacted] and [redacted] they reached the
conclusion [redacted] and [redacted] should be dismissed from
the Chicago Police Department in view of their affiliation
with the NKKKK at Chicago, Illinois.

[redacted] who served as an [redacted]
[redacted] for the Police Department in Klan matters testified
at the Police Review Board hearings and was publicly exposed
to the news media as the police officer who had infiltrated
the NKKKK unit of the Chicago Police Department.

On April 4, 1968, [redacted]
[redacted] Internal Investigation Division, Chicago
Police Department, advised that his division had completed
their investigation concerning police officers [redacted]
[redacted] stated that all
officers denied any membership in the NKKKK and indicated
that they had discussed this situation with [redacted]
while working with him as a police officer in the same
police district in Chicago, Illinois, in the fall of 1967.

[redacted] related that polygraph examinations were voluntarily taken by the above named police officers and the results of such examination although not completed would appear to indicate that above named police officers were not at any time members of or sympathetic with the goals of the NKKKK. Accordingly, [redacted] stated that the Chicago Police Department does not contemplate taking any administrative action against the above named police officers being of the firm opinion that they were not or are they now members of the NKKKK or in sympathy with the objectives of the NKKKK.

As indicated in referenced correspondence, [redacted]

[redacted] resigned from the Chicago Police Department rather than face a Police Review Board in connection with another charge which was pending against him.

[redacted] advised that the only evidence that they had against the above named police officers was that their names were on a list found in possession of one of the suspended police officers and it is quite possible that they may never have been contacted for membership in the NKKKK. In view of the above, it would appear no additional investigation concerning the above named police officers is warranted and accordingly their cases are being closed by the Chicago Division at this time.

It is noted investigation is currently being conducted concerning [redacted] in an effort to determine whether or not he possesses any informant potential or is currently associated with the NKKKK at Chicago.

Re DE airtel and LHM, 4/26/68.

Referenced LHM identifies [redacted] of Akron, Ohio, as the [redacted] of the National Knights of the Ku Klux Klan (NKKKK) of Ohio.

For the information of the Detroit Office, JAMES R. VENABLE, Imperial Wizard of the NKKKK, has dissolved all Ohio Stateslevel offices of the NKKKK above the position of Exalted Cyclops, and no information to the contrary has been developed by the Cleveland or Atlanta Divisions. The only two NKKKK Klaverns located in the Cleveland Division, one each in Akron and Cleveland, Ohio, have been disbanded due to a general lack of interest in the Klan movement.

Informants report that [redacted] of Akron, Ohio, has been attempting to organize an NKKKK or loosely affiliated Invisible Empire of the KKKK (IEKKKK) Klavern in Akron, Ohio, for well over a year, but has failed to do so in his home town where his influence would logically be expected to be strongest.

[redacted] a [redacted] is the only other individual in the AKRON area whom informants advised is affiliated with the NKKKK.

[redacted] is known to have outlined grander plans for Klan rallies and motorcades with specific dates and details which actually failed to materialize, and he has been known to travel to other divisions representing himself as a Klan official.

IV. PUBLICATIONS AND PROPAGANDA

[redacted] furnished a copy of a newspaper entitled "Imperial Night Hawk, National Knights of the Ku Klux Klan" with the caption "Stone Mountain . . . Near Atlanta, Georgia, Owned Published and Operated by the National Knights of the K. K. K., Inc., Box 111 Stone Mountain, Georgia. The aforementioned newspaper indicated that it was Volume LXVIII, Number 1, yearly subscription of \$3.00 and subscription for two years was \$5.00, individual price, \$.25. The above newspaper also reflected that it was published by [redacted]

[redacted] The first article in the above paper was one letter by JAMES R. VENABLE, Imperial Wizard of the National Knights of the Ku Klux Klan Association of America, Post Office Box 107, Tucker, Georgia, 30083, and was a one and one-half page effort by VENABLE in expressing his views on the present conditions in the United States as he saw them both political and sociological.

The paper contained a column-length poem by the Honorable OLIVER ALLSTORM entitled "The Saddest Story Ever Told", and above the poem was a photograph of a white girl and Negro male embracing in what appeared to be a picnic scene.

Numerous articles appeared throughout the eight-page newspaper, critical of the United Nations. One article was captioned "The United Nations is Treason."

Under a caption "The Night Hawk Says", the following purposes for the publication of the Imperial Night Hawk by the National Association of Klans were set forth, and they are as follows:

1. To expose all Communists activities and organizations.
2. To expose the Anti-Christ and their Satanical plans for destruction of the White Race.
3. To restore prayer to the schools.
4. To expose and destroy the careers of all politicians who willfully or through ignorance or brainwashing, support the Atheistic-Jewish-Communist Conspiracy.
5. To expose School Integrations, Open Housing, Mixed Marriages for what it really is,

part of the Commy plan to destroy the White Race by down breeding.

6. To get the United States out of the United Nations, and remove the whole operation to Israel where it belongs.

7. To elect politicians pledged to destroy the Great Society and all its Socialist programs.

8. To restore to the States all powers usurped by the Federal Government.

9. To declare all decisions by the Supreme Court, in regard to the Constitution or the laws of any state, null and void until reviewed and passed by a 2/3 majority of both houses plus 2/3 of the States..

10. To remind the people that the Supreme Court does not have the power to make a law, only interpret it.

11. To destroy the Federal Reserve Board (a private corporation owned and controlled by the Jewish International Bankers) and return control and printing of our money to the people.

12. To get the Federal Government out of private business. The savings on this project alone could eliminate personal income tax.

13. To return our Constitutional Right "Freedom of Choice" to the people.

14. To eliminate Foreign Aid except to White Christian Nations only exception would be a natural disaster, flood, famine, etc.

AT 157-60

15. To support the White Government of Rhodesia with every means at our disposal, even atomic weapons if needed.
16. Total and immediate victory in Viet Nam. The life of one White Man is far more valuable than a few million Asiatics.
17. To use the money now wasted on Foreign Aid and Civil Rights on armament to prepare for the day when the Mongol hordes led by Russia and Red China try to destroy us.
18. To give our support and patronage to White Christians only.
19. To insure that only White Christians be elected or appointed to public office.
20. To sacrifice our life if necessary to re-establish this Great Nation as a White Christian Republic under the Divine Law of our Leader Jesus Christ.

On [redacted] [redacted] furnished Issue Number 2 of the Imperial Night Hawk which on Page 4, under the heading "Letters to the Editor" contained the following information:

"We the people of Mississippi and the United States are proud of the work certain officials have done in the recent exposure of [redacted] [redacted] as being unqualified and negligent of the duties and responsibilities of the office he was appointed to .

"We the people throughout the United States are deeply concerned about the Communistic trend and the Communists in our country today. All conservative organizations are working constantly, but we have to work at a regular job also. We now have it arranged so we can show the public's feeling and concern for our country and freedom.

"We want certain Supreme Court rulings and Supreme Court Judges investigated and for it to be proven that these rulings and laws passed in the past few years are unconstitutional, which they are. The people never voted for their passage, and they don't accept these so-called Constitutional laws. The people of America are waking up now. We can't say everything we want to because the present unconstitutional laws limit us.

"We the people elected the President, Mr. L. B. Johnson, and he has passed into effect the American-Russian Consulate Treaty which allows Communists to open an office in any city in the United States. What is this but treason" We want impeachment proceedings started at once! How can we expect to fight the Communists if we let them enter our country and work for their ideals in our country?

"This is the first step. We can go from here. We the people are tired of national parties without platforms and candidates that are only imperialists for

socialistic projects and ideals such as the Medicare Program. Also the increasing of our national debt.

"We want our state legislature and governor to write other governors and legislatures and express the beliefs and traditions we believe in. We are going to have a cleaner and free government again, and we are going to support you, our elected officials.

"If you need petitions, please write and let us know. We can have thousands of copies of this exact paper ran off and signed by the citizens. We are behind you, and we are not going to let you down from this day on.

A leaflet bearing an invitation to attend a meeting of the Formation Committee of the Atlanta Area National Christian Church was obtained at the meeting held by the NKKKK on September 28, 1967. The leaflet set forth the principles and beliefs of the proposed National Christian Church, which includes an emphasis on the belief of White Supremacy.

AT 157-60

On September 2, 1967, the NKKKK sponsored the National Klan Day Rally held on the property of JAMES R. VENABLE at the base of Stone Mountain, Georgia. The rally began at 8:00 p.m. with JAMES VENABLE, Imperial Wizard, acting as Master of Ceremonies. Speakers at the rally included [redacted] from California, a [redacted] from Louisiana, and [redacted] from Atlanta, Georgia. Other speakers indicated they were from Pennsylvania; Mississippi; Selma, Alabama; North Carolina; South Carolina; and two women from Florida.

The emphasis by the speakers was in the need for the Klan and all urged the audience to join the Klan.

About 1,000 people were in attendance at the rally, many of whom were from the State of Ohio. It was also noted that former members of the Clayton County klavern of the UKA were also in attendance at the rally.

At about 10:00 p.m. a large cross was lighted on Stone Mountain with the meeting breaking up about midnight. The rally was free of any acts of violence.

new member will be \$10 broken down as follows:

\$4.00 to be forwarded to the National Organization;

\$3.00 goes to the Klansman who signs up the new

Less than [] individuals made an appearance on [] at []. It is understood that a number of individuals received notices previously to attend the meeting this date and that the main topic and purpose was to select Ohio State organizers. Known identities of some of those who appeared are:

b7D

A current evaluation of NKKKK membership in southern Ohio at this time would indicate that there are approximately [] hard core dedicated members. In the beginning when this Klan group first became organized 100's of individuals signed up on applications to join and paid the initiation fee. However, as months went by, and especially since January, 1966, the fortunes of the NKKKK went downhill for one reason or another. Mainly, lack of organizational cooperation among leaders and inadequate clean-cut Klan policy were the real reasons for this downfall.

Of course [] of United Klans of America, started recruiting in Ohio and stole most of the NKKKK's good men. For this reason the United Klans of America is considered the only strong effective Klan in Ohio currently.

On [] advised:

Five Klansmen were arrested August 19, 1967, by the Lincoln Heights, Ohio Police Department in the vicinity of the Lincoln Heights, Ohio High School while passing out Klan literature and Klan posters.

They were charged by Lincoln Heights authorities for posting bills without a permit and were later released

Regarding AFKKK, a third source advised that a former official of the Association of Georgia Klans (AGK) formed an organization on July 7, 1953, known as AFKKK. The "Morning Tribune," Tampa, Florida, newspaper, in its August 11, 1955, issue, revealed AFKKK disbanded on that date.

A fourth source advised on October 25, 1956, that AFKKK operated under the same principles and bylaws as the AGK. The AGK has been designated by the Attorney General pursuant to Executive Order 10450.

UNITED KLANS OF AMERICA, INC., KNIGHTS OF THE KU KLUX KLAN (UKA)

Records of Superior Court of Fulton County, Georgia, reflect that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name United Klans, Knights of the Ku Klux Klan of America, Inc.

A source advised on February 27, 1961, that United Klans was formed as a result of a split in U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute, and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy, and segregation of the races.

The first source and a second source advised in July, 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, Alston Building, Tuscaloosa, Alabama. (The organization is directed by ROBERT M. SHELTON, Imperial Wizard, and is the dominant Klan group in the South, with units in several southern states.)

Second source advised that at a meeting in Prattville, Alabama, on October 22, 1961, the U. S. Klans, Knights of the Ku Klux Klan, merged with the United Klans of America, Inc., Knights of the Ku Klux Klan.

Third source advised on May 25, 1967, that the UKA is currently an active organization, with Klaverns in several states. This source said that ROBERT M. CALIFORNIA KNIGHTS OF THE KU KLUX KLAN (CKKKK)

Source one advised that in late August, 1966, large amounts of literature were dispensed in the San Fernando Valley area of Los Angeles, advertising the "Ideals of the Ku Klux Klan, a California Committee", and containing Post Office Box 312, La Crescenta, California, and the name of Reverend WILLIAM V. FOWLER, State Chairman of the CKKKK. Also distributed was an announcement that a rally of the CKKKK and a "gigantic cross burning" would be held on September 17, 1966, at Saugus, California.

A second source advised that the CKKKK has attempted to hold two rallies, one on September 17, 1966, at Saugus, California, the other in an open field at San Bernardino, California, on November 19, 1966. The first rally attracted approximately 200 persons, half of this number being members of the news media. This rally came to an abrupt halt as the road into the rally was closed in the interest of public safety. The second rally, which attracted about 70 persons, never got started as FOWLER was arrested for holding a meeting without a permit.

A third and fourth source advised that on February 19, 1967, a meeting of the CKKKK was held at Los Angeles, California, at which time several persons were initiated into the CKKKK. These sources advised that this klan group was told by FOWLER that the CKKKK was affiliated with Georgia's National Knights of the Ku Klux Klan, Inc., JAMES R. VENABLE, Imperial Wizard. The CKKKK is not incorporated in the State of California.

These sources advised that the CKKKK promotes white supremacy, calling America a "white man's country", the segregation of the races, and is anti-Jewish.

The day-to-day operations of the CKKKK are handled by WILLIAM V. FOWLER, self-appointed State Chairman, Honorary State Cyclops, CKKKK, from his residence at 3430 Mayfield Avenue, La Crescenta, California.

An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

REVOLUTIONARY ACTION MOVEMENT (RAM)

On November 3, 1964, a source made available a document entitled, "The Revolutionary Action Movement Manifesto", the document having been obtained by the source from an individual known to be a member of the Revolutionary Action Movement (RAM).

This document stated, in part, that RAM was officially organized in the Winter of 1963 by Afro-Americans who support the revolutionary objectives of ROBERT F. WILLIAMS, who was then residing in Cuba, and his concept of organized violence to achieve the liberation of the Afro-American people in the United States. This Manifesto disclosed that RAM had oriented its program to one of education and political revolution and the organization of a "black" political party with revolutionary objectives, having recognized the need for a "black revolution" that could and would seize power. RAM philosophy is described in this document as one of revolutionary nationalism, that is, one involving the struggles of the non-white races of the world against exploitation and enslavement by the white capitalist and imperialist nations.

Regarding WILLIAMS, it should be noted that on August 28, 1961, a Federal warrant was issued at Charlotte, North Carolina, charging him with Unlawful Flight to Avoid Prosecution for the crime of kidnaping. Subsequent to the issuance of this warrant, WILLIAMS fled the United States to Cuba, where he published a monthly newsletter entitled "The Crusader" from Havana. As of December, 1966, WILLIAMS was residing in Peking, China.

This source, in September, 1964, advised RAM is dedicated to the overthrow of the capitalist system in the United States, by violence if necessary, and to its replacement by a socialistic system oriented toward the Chinese Communist interpretation of Marxism-Leninism. RAM is entirely non-white in membership, clandestine in nature, and owes its primary allegiance to the "Bandung World", that is, the non-white races of the world rather than to any national entity, as such.

APPENDIXNATIONAL SOCIALIST WHITE PEOPLE'S PARTY,
Aka. THE AMERICAN NAZI PARTY, CHICAGO, ILLINOIS

A source advised on November 14, 1960, that on that date a meeting was held in Chicago, Illinois, for the purpose of organizing a Chicago Unit of the American Nazi Party (ANP) which maintains headquarters in Arlington, Virginia. GEORGE LINCOLN ROCKWELL, National Commander, ANP, took charge of this meeting.

On May 22, 1966, MATTHIAS KOEHL, self-identified as lieutenant, ANP, Chicago, advised that the ANP in Chicago is to a degree autonomous although it remains subject to the final authority of GEORGE LINCOLN ROCKWELL and ANP National Headquarters.

A second and third source advised in December, 1966, that a directive was received from the National Headquarters in Arlington, Virginia, by the Chicago Unit of the ANP, 1314 West Ohio Street, during December, 1966, advising that the official name of the organization beginning January, 1967, would be National Socialist White People's Party (NSWPP).

The second source advised on July 14, 1967, that the Chicago Unit of the NSWPP has sent out appeals for money and has had printed up literature and "throw aways" under the heading of the "American Nazi Party (National Socialist White People's Party), Natl. H.Q., Box 5505, Arlington, Va.--Chicago H.Q: 1314 W. Ohio St."
